

Written Exam for the M.Sc. in Economics winter 2012-2013

Telecommunications Economics

Final Exam

19.12.2012

(3-hour closed book exam)

Please note that the language used in your exam paper must correspond to the language of the title for which you registered during exam registration. I.e. if you registered for the English title of the course, you must write your exam paper in English. Likewise, if you registered for the Danish title of the course or if you registered for the English title which was followed by "eksamen på dansk" in brackets, you must write your exam paper in Danish.

If you are in doubt about which title you registered for, please see the print of your exam registration from the students' self-service system.

Answers are wanted for both questions.

A.

Make a presentation of how competition works in the telecommunication sector. Present the value chain for major telecommunication products, and in relation to that describe the different players in the telecommunication sector.

B.

Describe the set-up world wide about domain names. Present the issues in relation to how to govern the domain name system.
